

## ABOUT CARDWELL HILL CELLARS

Cardwell Hill Cellars is a family owned and operated boutique winery located in the Willamette Valley of Oregon near Corvallis. We produce estate bottled Pinot Noir, Rosé from Pinot Noir and a Pinot Gris on our 38 acre vineyard. We employ a highly experienced vineyard manager and a consulting winemaker, who provide the expertise needed to craft premium wines. Cardwell Hill uses sustainable agricultural methods and has received certification from both Salmon Safe and LIVE (low input viticulture and enology).

As of the 2008 harvest we are 100% estate bottled wines. Our Pinot Noir is processed in a gravity flow winery that uses many of the European wine making skills and techniques.

Our wines are consistently award winners in major competitions. Some of the major awards from the list of over 60 are listed below.
